Please disclose: Plan charge includes costs of insurance benefits and assistance services. If you have a pre-existing medical condition, your plan excludes losses due to that condition unless you qualify for a waiver under the terms of your plan. See [Plan and Pricing Details](#) for more information.

PRE-EXISTING MEDICAL CONDITION EXCLUSION WAIVER This Pre-Existing Medical Condition Exclusion Waiver describes the circumstances in which a pre-existing medical condition MAY be covered under this policy and NOT excluded from coverage. Because your policy includes this waiver, you can still be covered for losses due to a pre-existing medical condition if you were a U.S. resident when the policy was purchased and: a. The trip was purchased during the coverage period; or b. Your policy was purchased within 14 days of the date of the first trip payment or deposit. **IMPORTANT:** The amount payable for claims for Trip Cancellation Coverage or Trip Interruption Coverage due to a pre-existing medical condition cannot exceed the Pre-Existing Medical Condition Limit listed on your Declarations. Amounts payable for claims under other coverages are subject to limits listed on your Declarations.
